79399	13-Oct-2014	CHRISTOPHER WILLIAMS	I am a Ph. D candidate researching the use of private military companies in Iraq, Afghanistan, Sierra Leone, and Balkans. I am doing a historical multi-cross comparison of the use of private military companies as managers of conflict. My hypothesis is private military companies are a long term solution for the United States Government. I am seeking maps, incident reports, conflicts engagement information, documentation, shooting incidents, reports written in favor of or against private military companies, or any maps and reports about those four conflicts involving private military companies. I am attempting to do a neutral unbiased analysis, and information, maps, or satellite imagery to show how they were utilized in combat, security, logistical, or any other role would be helpful. The time period of my request is from 01/01/1974 to present.	Neither Confirm Nor Deny
79400	12-Oct-2014	JOHN GREENEWALD	Copy of "The National Strategy for Trusted Identities in Cyberspace," as referenced on page 17 in the newly released report, "NSA's Civil Liberties and Privacy Protections for targeted SIGINT activities under Executive Order 12333" published October 7, 2014, and located at: https://www.nsa.gov/civil-liberties/files/nsa-clpo-report-targeted-EO12333.pdf

79507	23-Oct-2014	MICHAEL BOYETTE	Records on a biographical sketch of Henriette Davidson Avram, best known as the designer of the MARC bibliographic format while working for the Library of congress. Before that, though, Ms. Avram worked for the NSA, joining in 1952. I am interested in this phase of her career, about which there seems to be almost no public information. I'm interested in any surviving memoranda or documentation written by Avram, or relating to the projects she is known to have worked on, or relating to hardware or software systems used on those projects.
